Why Mike Brown is selling so many Buggies, and the reason is that he sells the best Buggies made, tells the truth about them and stands behind and makes good all he promises. His motto is a

"SQUARE DEAL!"

Ever stop to analyze that motto? There's lots in it. Besides good Buggies, he sells a world of other stuff. He caters especially to the Farmer, and begs to call your attention, Mr. Farmer, to the following list. Look it over. Maybe there is something you are needing now:

Drug Men in a Fight Over the Dr. Nott Formula.

When Dr. Nott retired some time since, had he been as good a business man as time has demonstrated that he was a profound chemist, posterity would have gotten the benefit of his researches and discoveries long ere this. In the long and tedious fight that has gone over during the last few years, and seemingly endless litigation, etc., about the right to use this wonderful man's discoveries, it seems that Hensig-Ellis of Memphis, Tenn., have finally swept the field clear of all competitors, as we note in some advertising recently done throughout the Southern States that they declare themselves sole proprietors and distributors of the Nott Hair Formulas. This will doubtless be a matter of unlimited interest to the multitude of gray-haired men and women and people afflicted with hair troubles. During all the time that the altercation has existed among the various people trying to possess willy nilly the Nott Formulas, it is a matter of moment that the secret has been rigidly held and the manufacture of the goods therefore to an extent restricted, as inquiry develops the fact that not a single druggist in Maysville have any of the Nott Hair Formulas in their possession, although several express themselves as quite willing to take the agency when opportunity offers.

The hard and strenuous fight for the possession of the rights, involving as it has the expenditure of a great many thousands of dollars, seems to indicate that at last something has been discovered that will be of material benefit to people suffering from the myriad troubles awarded to the possessor of a head of hair and to those who worry because they haven't any.

MEN ARE POWERLESS

To Fight Against Disease Unless They Strike at the Underlying Cause.

To treat Dandruff, and Falling Hair, with Irritants or oils on which a parasitic germ will prosper, is like scooping water from the ocean to prevent the tide from rising.

You cannot accomplish a satisfactory cure without having a right understanding of the fundamental causes of the trouble.

You must kill the Dandruff Germ.

Newbro's Herpicide does this because it is specially made to do that very thing.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Do you know anything about eyes? Could you examine eyes and select the proper glass? Do you know anything about lenses? Could you tell the proper form and strength of lens for the different visual defects? Do you know about decentering lenses and combining prisms with them? Their effect? What about eye strain? Can you use the modern optical instruments? Do you expect people who have had no special course in optics, who have none of the modern instruments and who devote their time almost exclusively to other callings, to know any more about optics than you know?

KENTUCKY LYNCHING

John Maxie, a Frankfort Negro, Strung Up For Shooting Showman

At 2:30 o'clock this morning, John Maxie, a Negro ex-convict, was hung from the bridge over the Kentucky river at Frankfort, for the brutal shooting of Bert C. Bowers, Manager of Howe's Circus.

Bowers is one of the Directors of the Howe Shows. While walking through the lot from one tent to another he saw the Negro ripping the tent of the main show. He told the Negro to stop, and went to get a policeman to arrest him.

When he returned Maxie raised a revolver he was carrying and fired on him four times, one bullet penetrating the abdomen. The surgeons do not know yet whether the wound is fatal.

Bowers is an Elk and is in the hands of the Elks of Frankfort and will be well cared for.

Danderine

Grows Hair
and we can

PROVE IT!

The Great DANDERINE Never Fails to Produce the Desired Results.

It enlivens and invigorates the hair glands and tissues of the scalp, resulting in a continuous and increasing growth of the hair.

Letters of praise are continually coming in from nearly all parts of the country stating that Danderine has renewed the growth of hair in cases that were considered absolutely hopeless.

A lady from Brooklyn writes: "After a short trial my hair stopped falling, and I now have a lovely head of hair, very heavy and over one and a quarter yards long."

Danderine stimulates the scalp, makes it healthy and keeps it so. It is the greatest scalp invigorator known. It is a wholesome medicine for both the hair and scalp. Even a small bottle of it will put more genuine life in your hair than a gallon of any other hair tonic ever made. It shows results from the very start.

Now on sale at every drug and toilet store in the land; 3 sizes 25c, 50c and \$1.00

Free To show how quickly Danderine acts, we will send a large sample free by return mail to anyone who sends this free coupon to the Knawton Danderine Co., Chicago, with their name and address and 10c in silver or stamps to pay postage.

Home-Grown Strawberries

Now coming. My supplies will come direct from the growers by express and will be on sale here on same days they are picked. Will be sold WHOLE- SALE and RETAIL in full-size cups just as they come from the patches and will be as heretofore—the best that come to this market. The long-protracted drouth last year killed out many of the patches and the crop will be short, and my advice to those who want berries is to not put off securing what they may want. I am expecting some very fine berries, so place your orders with me and I will guarantee satisfaction.

My supplies of vegetables are now principally HOME GROWN and I am in position to at all times furnish the best and the freshest.

Flour is still booming. This week I am going to offer the Famous.

Perfection FLOUR \$7.50 Per Barrel

How a Maysville Citizen Found Complete Freedom From Kidney Troubles.

If you suffer from backache—
From urinary disorders—
From any disease of the kidneys,
Be cured to stay cured.
Doan's Kidney Pills make lasting cures.
Maysville people testify.

Here's one case of it:
M. C. Chisholm, 317 East Second street, Maysville, Ky., says:

"The cure which Doan's Kidney Pills effected in my case some years ago has been permanent, and the testimonial I gave in their favor still holds good. I was bothered a great deal by too frequent passages of the kidney secretions, this being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Drugstore, and had only used them a short time when I noticed a marked improvement. They soon cured me, and I have learned of several instances where they have been used with good results."

For sale by all dealers. Price 50 cents.
